LETTER TO MYSELF

4-24-2020

DEAR, Peter,

I do not like Coronavirus. What do you do to keep yourself busy?

LOVE, Peter

4-30-2020

[Handwritten note]

What I miss from pre-Covid is going to different countries because I like seeing the world. I just traveling with my family.

5-4-2020

[Handwritten note]

I'm so glad the weather is getting warmer because I can go on my bike. I like to go over jumps on my bike. My brother and my friends go over them. If you pull up on the handle bars while going over the jump you go really high.
I’ve been watching a live stream of a Porcupine family, the Porcupine Society in Providence. The mom has been sitting on five eggs for the past few weeks. Today two of them hatched. The other are going to hatch soon. I find it interesting to watch the live stream. The live stream has been going on since late January.

DEAR Peter,
Coronavirus is not fun to be stuck in. What are you doing to keep your self busy?
I am playing outside. I like to catch crabs on our beach. I don’t know what kind they are. Do you know? Crabs are fun.

Love, Peter
LETTER FROM YOUR PARENTS

18 May 2020

Dear Peter,

Spring 2020 will be famous for Corona Virus. You and Cedric did a great job doing schoolwork on the dining room table. You did great jumps with your bicycle at the end of the street, you caught crabs and practiced casting your fishing line.

We are proud that you continued virtual zoom piano lessons with Mr. Stott (terrific “Mountain King” by Grieg & “Minute in G” by Petzold).

We are thankful that no one in our family became sick.

We love you very much!

Love, Mama & Tito
